**VERNAL CITY PUBLIC HEARING
COMMUNITY IMPACT BOARD FUNDING APPLICATION**

Culinary water system improvements, radio meter reading system & sewer line relining project.

The Vernal City Council is soliciting public input regarding the application of Vernal City to the Permanent Community Impact Fund Board of the State of Utah for the purpose of securing funding for:

1. Radio Read Meter Reading System for the culinary water system of the City for approximately 3800 water meters within the corporate limits of Vernal City. The total anticipated cost of this project is \$520,000.
2. The Vernal City sewer system improvement project consisting of the relining of approximately 17,000 lineal feet of sewer line within the corporate limits of Vernal City. The estimated cost of this project is \$1,400,000.

The application for these two projects to the Community Impact Board is to request funding for an amount not to exceed \$1,920,000, in both grant and loan funding. Any repayment of loan debt shall be from the water fund of Vernal City and sewer fund of Vernal City using user fee revenues.

The public is invited to give their input to the Vernal City Council regarding the submission of this funding application at a public hearing to be held September 2, 2015 at 7:15 p.m. in the Vernal City Council Chambers, 374 East Main, Vernal, Utah. Any questions regarding the submission of this application for this project should be directed to Ken Bassett, City Manager, 374 East Main, Vernal, Utah, (435) 789-2255.

Note: In compliance with the Americans with Disabilities act, individuals needing special accommodations during this public hearing should notify Ken Bassett, (435) 789-2255 at least five days before the meeting.
